

2028-2029

Australia, New Zealand & South Pacific Cruises

Australia, New Zealand and the South Pacific bring together an extraordinary mix of destinations, landscapes and cultures. One day could be spent exploring a vibrant waterfront city, the next discovering remote coastlines, renowned wine regions or tropical islands. Every voyage reveals a different side of this remarkable part of the world.

EXTRAORDINARY NATURAL WONDERS

From the Great Barrier Reef and the Kimberley Coast to Fiordland National Park and the islands of the South Pacific, few regions offer such a dramatic range of scenery. Towering fiords, tropical waters, rugged shorelines and remarkable wildlife create unforgettable moments throughout the journey.

DISTINCTIVE CULTURES AND COMMUNITIES

Every destination offers its own traditions, flavours and local character. Discover Māori heritage in New Zealand, explore Australia's diverse regional communities, and experience the warm hospitality and unique cultures found throughout the South Pacific. Together, they create a journey rich in authentic destination experiences.

MORE TIME ASHORE

Select 2028-29 voyages feature late-night and overnight stays in destinations including Adelaide, Broome, Cairns, Darwin, Hobart, Melbourne, Phillip Island, Picton and

Wellington. With additional time in port, guests can experience more of the local atmosphere, culture and attractions at a relaxed pace.

SCENIC CRUISING AT ITS BEST

Some of the region's most spectacular sights are best experienced from the water. Scenic cruising opportunities bring guests closer to the dramatic landscapes of Fiordland National Park and the remote beauty of the Kimberley Coast, offering perspectives that simply can't be experienced on land.

JOURNEYS DESIGNED FOR DISCOVERY

The 2028-29 season features everything from shorter coastal escapes to longer voyages connecting Australia, New Zealand and the South Pacific. Whether guests are drawn to wildlife, food and wine, island cultures, iconic landmarks or extraordinary scenery, there's a journey designed to help them experience more of the region.
